

Chocolate that makes a difference

All Bellafina Chocolates net proceeds benefit children threatened by disease, poverty, abuse, or neglect. We are passionate about chocolate and customers say we make some of the best chocolates on the planet! Find your passion among our full line of truffles, chocolate bars, and other divine creations.

Our Products

We create rich artisan chocolates in a variety of tempting flavors. We can put your logo, artwork, or photo on any of our gift boxes and can even add your logo to the truffles themselves for a unique and memorable client gift!

Our Purpose

Our company was founded to raise money for charities helping some of the most vulnerable children around the world. All of our net proceeds are donated to children's charities, and we have an all-volunteer staff. We can change a child's world...with chocolate!
